The scene on the front cover are the teams on the start of play on the first day of the Carnival observing a minutes silence in recognition of those who perished or lost their homes in the Queensland floods.

PRESIDENT'S REPORT

Despite three games having to be cancelled due to rain and a disappointing first match of the season the 2010 – 2011 season produced some special results.

The National Cricket Carnival played in January at the grounds of the Mooropna Cricket Club near Shepparton in Victoria was the highlight of the season. Not only did the players receive fantastic hospitality and generosity, we played on great grounds on cloudless sunny days.

The Carnival produced some great cricket with South Australia, for the first time, winning the final v Victoria and became the Pharmacy Cricket National Champions. Paul Wickham (Vic) was awarded 'Player of the Carnival', Bernie Borg (Vic) 'Batsman of the Carnival' and Chris Georges (NSW) 'Bowler of the Carnival'. Of special mention was Nathan Blackmore's innings of 98 v Western Australia, Brendan Crisp 4 for 9 v South Australia in the final and Sean Harris QLD 116 not out in the 20/20 match v NSW.

For the first time Pharmacy South Australia played a match v the South Australian Lawyers as a trial immediately before the Carnival. This was a very exciting match, with a win to pharmacy off the third last ball of the day. It is hoped this will inspire other states to organise games within their state.

The usual Blues v Golds, Pharmacy v Dentistry, Pharmacy v Industry and the President's XI v The Invitation XI were all played and reported elsewhere in this report. The games v Country, The Doctors and Newcastle were all cancelled due to rain.

It has been suggested that during the Carnival CPE & or CPD lectures are provided. This came as a suggestion during the Carnival in Shepparton and preliminary plans are in hand. Also Industry has expressed a wish to play during the Carnival and this also is being explored. This would not alter the way the Carnival is played.

Pharmacy Cricket in accordance with our 'Mission Statement' awarded two students scholarships. The recipients were students Jessica Bugg from Griffith University in Queensland and Daniel Flavell from Charles Sturt University in New South Wales. Both had extracts from their applications printed in a full page article in the May edition of the Australia Journal of Pharmacy. Jessica's time in pharmacy was the subject of an inspirational article in Community Pharmacy called 'Jessica's Journey'.

To sustain and maintain Pharmacy Cricket, as well as to move forward, relies upon the sponsorship support of the pharmaceutical industry and allied organisations. We sincerely thank those who appear on the 'Sponsor's Page' for their support and express our appreciation.

The New South Wales branch of the Pharmacy Guild deserve special thanks who their continued assistance both with printing and the use of premises for meetings.

The members of the Pharmacy Cricket committee must not be forgotten as they have meet to plan the way ahead and organise the various matters that keep the Pharmacy Cricket ship on a steady course.

NATIONAL CRICKET CARNIVAL

Shepparton Victoria, 26 – 29 January 2011

Great Cricket and Wonderful Fellowship

South Australia - National Champions 2010 – 2011

The ground of the Mooroopna Cricket Club, established in 1875, over the river from Shepparton, was the place from the 4th National Pharmacy Cricket Carnival.

Six teams of Pharmacists from each State played in glorious sunny weather over four days, hosted by the hospitable and generous members of the Mooroopna Cricket Club.

The features of the Carnival were that two states, New South Wales & South Australia recorded just under 300 runs in their 50 over opening games. For New South Wales opener Nathan Blackmore playing against Western Australia scored 98 only missing his century when caught on the boundary rope going for a six.

Victoria and South Australia met in the final, Victoria batting first was held to

181 runs in their 50 overs. Jeff Gallagher top scoring with 71. South Australia in reply were in early trouble at 2 for 21, then 5 for 99. Michael Wakim 50 retired & Stu Hook 50 retired with Michael Broadbent 24 not out, took the side to victory in the 48 over 6 for 184.

Victorian Brendan Crisp took 4 for 9 off 4 overs but it was not enough to give his team victory.

South Australia are now the National Pharmacy Cricket Champions for 2010 - 2011.

In one of the 20/20 matches played on the last day for Queensland v NSW. Sean Harris QLD going in at number 6 scored 116 with 12 six's & 6 fours. A record that will probably never be equaled.

In the other games Queensland 7/107 v Tasmania 104 , Victoria 4/114 v Western Australia 112 and VIC 165 v NSW 139, and South Australia 5/188 v Tasmania 191 and SA - 5/188 v Queensland 6/187.

SA PHARMACY DEFEATS SA LAWYERS

University Oval Park No 1 Adelaide

23rd January 2011

The Pharmacy & Lawyers teams

As preparation for the 2011 National Cricket Carnival in Shepparton the SA Pharmacy team set up as a trial game against the SA Lawyers (Legends) side.

The 'Legends' team (a formidable combination) tours every four years to the UK coinciding with the Ashes Tests and is made up primarily of Law Graduates who are ex Adelaide University Cricketers.

A feature of the Pharmacists side was that it included three young newcomers to Pharmacy Cricket and two of the team were students. Pharmacy Captain Brett Fishpool on winning the toss decided to bat.

Peter Halstead retired on 41, Craig Patterson 34, Brett Fishpool 21 & Michael Broadbent 20 helped the Pharmacy team to 8 for 174 after their 40 overs. Halstead & Patterson had a solid partnership of 66 with some handy runs from the middle order.

The 'Legends' had an opening partnership of 29 before pharmacy newcomer Nam Hunyh decimated the Lawyers, taking three wickets in the space of eight runs and all his victims were former A- Grade batsmen. His fourth victim and match winning wicket was in the last over of the match. With three balls remaining and being hit for six the previous ball and only two run required for a Lawyers victory, Nam clean bowled the last batsman. Nam finished with 4 for 26 off 7.4 overs & Jackson Luker took 2 for 28 off his 4 overs.

After the game the teams socialized over a BBQ and drinks where it was agreed that this games should become an annual event. The lawyers claimed however, to have 'thrown' the game to boost the Pharmacists confidence for the upcoming Carnival.

EDITORS COMMENT: *This must have worked as South Australia won the National Carnival to become the Pharmacy Cricket National Champions for 2010 – 2011.*
